Gap Cover

This provider offers 'known gap' or 'no gap' cover for medical bills for this product. The Medical Costs Finder (<https://www.health.gov.au/resources/apps-and-tools/medical-costs-finder>) lets you find out more about the cost of specialist medical services.

Other features of this hospital cover

We do not have a preferred-provider-network-arrangement but operate a MediGap scheme aiming to eliminate the 'gap' payments for specialist fees in hospital. When a specialist chooses to participate in MediGap, they agree not to charge an out-of-pocket expense for your procedure. We do this by building a network of specialists who may agree to receive a higher benefit from us than they would ordinarily receive. In exchange, they do not charge you an out-of-pocket expense. Ask your specialist if they'll MediGap for you!

For further information about this policy see: <https://my.nib.com.au/product-collateral/133>

By using our FirstChoice providers, you may have lower out-of-pocket costs on many allied health services. A list of "preferred providers" is available from the health insurer. See <https://insurance.qantas.com/find-a-provider>.
